DECISION GRANTING
PETITION
37 CFR 1.181

This is a decision on the petition filed March 11, 2003 requesting that the office action mailed November 29, 2002 be remailed. The petition is considered pursuant to 37 CFR 1.181 and no fee is required for this petition.

The petition is granted.

A review of the record indicates that a change of address was filed on April 2, 2002. However, the change of address was not entered into the file until after the mailing of the office action of November 29, 2002. Accordingly, it appears that petitioner is entitled to have the Office action of November 29, 2002 remailed. However, petitioner has obtained the copy of the office action and subsequently filed a response on June 2, 2003. Therefore, physical remailing of the office action is not necessary and the amendment filed June 2, 2003 will be accepted as timely filed.

The application will be forwarded to the Technical Support Staff to have an entry in the PALM system made to show the office action of November 29, 2002 has been remailed prior to the filing of the amendment of June 2, 2003. The amendment of June 2, 2003 will be entered into the file and the application will then be forwarded to the examiner for action on the amendment.
